

THE GOULD BLUE AND GOLD

VOLUME V—NUMBERS 9 and 10

BETHEL, MAINE, JUNE 4, 1947

PRICE TEN CENTS

76 TO GRADUATE MONDAY MORNING

The familiar strains of the War March of the Priests will soon be heard in the William Bingham Gymnasium when Gould holds its commencement exercises Monday, June ninth. At this ceremony seventy-six solemn seniors will participate in the last rites in their high school education. The main topic of the speeches to be given will be English, not only in the courses which are given at Gould, but the opportunities for its practical applications of the knowledge gained. The Salutatory, English in Action, delivered by Janice Bowman, will follow the invocation by Rev. Kingsley Hawthorne. After a number by the girls' glee club, Mary Plumer will deliver the honor essay, College English and General English. A number by the boys' glee club will be the next, with the Valedictory, The Practical Application of English, delivered by Frances Vinton following. After the awarding of diplomas and honors by the headmaster, Rev. William Penner will deliver the benediction. Thus another group of seniors will be graduated who will take their places among the alumni of Gould.

BACCALAUREATE SPEAKER

Rev. Clarence W. Fuller will preach the Baccalaureate Sermon to the Senior Class in the Congregational Church on Sunday afternoon, June 8.

Previous to his present position as Assistant to the President of Bangor Theological Seminary, Mr. Fuller was minister for five successful years of the East Congregational Church in Springfield, Mass. He is a graduate of Amherst College, and studied at Northeastern and Boston Universities before attending Bangor Theological Seminary. He was ordained in Haydenville, Mass., in 1941.

Since then he has done a great deal of work with young people, and his executive ability has been proved in his record of service with many church-connected activities. Gould students, parents and Bethel townspeople will no doubt enjoy his address very much.

COUNCIL PRESENTS PLAQUE

The Student Council is going to present a citizenship plaque to the school at Commencement. On it will be engraved the names of one girl and boy from the senior class who are chosen as outstanding citizens.

Each member of the faculty nominates two members of the senior class, a boy and a girl, basing their nominations upon courtesy, cooperations, participation in school activities, leadership, and the consideration that the student has an average rank of at least seventy. From the names submitted by the faculty the present Student Council chooses one boy and one girl whose names finally appear on the plaque.

The Council raised the money to purchase the plaque by selling ice cream and soft drinks at the baseball games.

COMMENCEMENT FORMAL HIGHLIGHTS WEEK-END

The annual Graduation Ball will be held in the William Bingham Gymnasium on Saturday, June 7. The music will be furnished by the "Varsiteers," of Auburn, Maine. Those who attended last year's Graduation Ball remember this fine 14-piece orchestra from Edward Little.

The gym will be decorated with the traditional class banners, hung along with crepe paper decorations. The dance will be held from eight to eleven-thirty.

The committee for the program Saturday night is headed by Rebecca Philbrick with Mr. Roderick and Mr. Anderson as advisors. Also on the Prom committee are Charles Boutot, Betsy Norton, Lee Dymont, Tim Terry, Sally Adams, Bob Higgins, Russ Cram, Jim Stafford, Mark Rines, and Ruth Judkins.

Coach Anderson and his staff of ushers will escort those attending through the receiving line. The ushers are Tim Terry, Leland Brown, Jim Browne, Dave Bennett, Lee Dymont, Louis Wood, Jerry Davis, Dick Bayles, Bert Fernald, Dick Ireland, John Philbrick, and Guy Emery.

The dance order will include several waltzes, an elimination, a multiplication, and a spotlight dance, as well as fox trots.

The formal is limited to alumni and friends of Gould, and the admission is free.

This will be a special occasion, since the parents and friends of many of the Class of '47 will be present. The faculty and trustees are also expected to be present.

'47 HERALD PUBLISHED

The Gould Academy Herald was published two weeks ago. This year's issue differs from the last in several ways: the 1947 issue has 112 pages as compared to 90 in the 1946 issue. Also, the colors are green and white, the senior class colors. This year there are again only five pictures of seniors to a page, instead of ten as in the last Academy Herald.

The Herald was dedicated to

GOULD REPRESENTED AT W. MAINE FESTIVAL

The Girls' Glee Club and the Band attended the Western Maine Music Festival held in Lewiston on May 17.

In the morning auditions were held for the various groups all over Lewiston. At this time the Girls' Glee Club and soloists were judged. Ho-la-li and the Snow Legend were the two songs sung by the girls. Both numbers received a classification of IA. Jane Kanaly, Grace Lenfest, Florence Pike, and Roy Lurvey were the soloists from Gould.

A parade was held in the afternoon. The Band led the Girls' Glee Club. All the bands and marching groups were judged for their appearance and order. Immediately following the parade an exhibition was held by some of the larger school bands of marching and various drill work.

In the evening a concert was presented by the groups and soloists chosen by the judges for their superior talent. Gould was proud to be represented by Grace Lenfest, a talented harpist. Grace played Chanson de la Nuit and Londonderry Air.

Much credit must be given to Miss Griggs for her work in conducting the Girls' Glee Club and Band. Everybody had a wonderful time and hope to be able to represent the school again.

Mr. Roderick. "Joe," as all the boys call him, has taken an interest in everyone in school, and has done everything in his power to make everyone a better citizen and a happier one.

This year some seniors were able to have hard covers on their yearbooks. In the past few years they have been unobtainable.

The price of the Herald is \$1.25 this year, 25 cents more than before because of the increase in paper and cost. Extra copies can be obtained from the office and from salesmen who will be present at all exercises this weekend.

CLASS DAY PLANNED

On Saturday, June 7, at 2:00 P. M., Class Day will be held in the William Bingham Gym.

First on the traditional Class Day program will be the "Address to Undergraduates," by Robert Judkins.

Following this are the gifts to girls, conducted by Jack Hawley, Jack Libby, and Eugene Van, and the gifts to boys, presented by Marilyn Boyker, Joyce Chipman, and Irene Wight.

Next, Sally Stowell will deliver the Class Will, to be followed by the Presentation of the Class Gift, by Richard Day.

Last on the program the senior class will sing the Class Ode, written by Marilyn Boyker and Joyce Chipman.

There are also to be three musical numbers; Roy Lurvey will play a clarinet solo, and the Varsity and Girls' Glee Clubs, under the direction of Miss Griggs, will sing.

The members of the committee in charge of the program are Mr. Fossett, Mr. Scott and Miss Stallwood as faculty advisors; Joyce Chipman, chairman; and Jack Hawley, Ann Libbey, Marilyn Boyker, Jack Libby, Sterling Pierce, and Millard Moors.

STUDENT COUNCIL ELECTED

In accordance with the Student Council Constitution, the four class officers served as a nomination committee to compose the ballot for the 1947-8 Council. Three candidates for each office were nominated while two members from each of the three lower classes were named for the various committees. The results of the election which was held on May 20th are as follows: president, Louis Wood; vice-president, Richard Ireland; secretary, Gertrude Penner; treasurer, Guy Emery; School Publicity committee: Georgia Terriberry, Betty Backus, and Barbara Crockett; Building committee: Marilyn Judkins, Richard Little, and James Browne; Public Relations Committee: Ann Lord,

continued on page 2, column 3

CHAPMAN CLUB TO GIVE CONCERT

The Commencement Concert will be held in the William Bingham Gymnasium on Sunday night, June 8.

The senior members of the William Rogers Chapman Club are being featured in this concert, but the remaining members are also participating. The clubs' two honorary members, Miss Hinkley and Miss Collins, are also being featured on the program.

For the most part the program consists of soloists. However, there are a few groups, including the ensemble which is to bring the concert to an end.

This is the second year that the Chapman Club has put on the Commencement concert. A large number of parents and alumni are expected to attend as well as the students and friends from Bethel.

SCIENCE CLUB HOLDS ANNUAL OPEN HOUSE

Every year the Science Club puts on its annual show, which includes open house in Physics Laboratory, Chemistry Laboratory, Biology, Home Economics, Manual Arts, and the Camera Club exhibit. The great amount of work and time that was put into it helped to make the show a success. It was put on both in the afternoon and evening.

The publicity for the show was managed by Gloria Cutting and Joyce Chipman. The three boys responsible for getting everything ready in the Physics Laboratory were Tim Terry, Mark Rines and Dave Farrington. Some of the students volunteered to help explain the demonstrations. One of the big attractions was the explanation of the cathode rays and the demonstration of x-rays.

Martha Waterhouse and Larry Clement were in charge of the Chemistry Laboratory. The Chemistry students gave their own explanations and demonstrations.

Donald Lord and Dick Little prepared the exhibition in Biology on students' drawings and the use of microscopes in exploring minute objects.

From 3:30 to 5:00 p. m. an informal tea was held at the Home Economics building. They also put on an interesting demonstration on home canning.

Mr. Anderson and the Manual Arts students displayed the projects of the students during the past year. There were many beautiful articles fashioned of wood which were made by the students as well as some of the faculty.

Under the direction of Mr. Foster, Lee Dymont and Edwin Swain presented a demonstration on printing, toning, and enlarging in photography. Each year the Camera Club presents a show in the Holden Hall darkroom and in Hanscom Hall. Each picture is completely done by the students. This is one of the highlights of Commencement.

Together with the help of the students and Mr. Emery, the Science Club advisor, the show was a great success.

EDITORIAL

FROM HERE, WHERE?

Where do we go from here? This coming week-end is Gould's annual Commencement. Doesn't that word mean "the beginning" and not "the end"? To be sure, we of the graduating class leave a complete phase of our life behind us, but that phase is meant to be the foundation of our future lives. By now, after being molded by the firm and guiding hand of parents and the equally firm specifications of our teachers, the foundation should be a sound one.

How many Gould students—seniors and underclassmen—have established set goals toward which they plan to work throughout their lives? How many seniors plan to go to college? How many have been accepted? How many are sure of a job after graduation? It's a tough and hardened world we are facing right now, but it's a world full of opportunities for the competent and aggressive person, and one which is eagerly reaching out for new and sound ideas.

The magnitude of it all is rather staggering. The decisions which we must make right now may and probably will affect our entire lives. We'll have to make our own decisions this time, too. Guidance and advice are more than welcome, but the final say has to be up to the individual in this case. No one else can or should attempt to shape our future for us. Every one of us has different talents and a different personality. We alone know just what we want to do the very most.

This doesn't necessarily pertain just to seniors. The pattern should be set in our first year of high school. The record for all four years counts immensely afterward, whether it be included in a recommendation for college or for some position.

The cornerstone of our entire future has been laid. In some cases, the formation of the actual structure has begun. The step from high school onward is an important one. We leave behind us unforgettable memories. We look forward to—who knows what? From now on it's up to us!

PIANO AND VOICE RECITAL

On Tuesday, May 27, the recital of Miss Griggs' pupils in piano and voice was held in the William Bingham Gym. The pianists playing in the recital were Earl McAllister, who played Schubert's "Impromptu in A Flat"; Beverly Lurvey, who played "Barchetta," by Nevin; Eunice Lane, who played "Trees on the Hillside," by Williams; Nancy Van den Kerckhoven, who played Welpley's "Prelude"; Unno Hertel, who played "Spanish Dance No. 1," by Moszkowski; Lois Ann Van den Kerckhoven, who played MacDowell's "Scotch Poem"; Donald Lord, who played Rachmaninoff's "Prelude in C Sharp Minor"; Jerry Davis, who played "Scherzo," by Mendelssohn; Jane Kanaly, who played "Liebestraum," by Liszt; and Florence Pike, who played "Reve Angellique" from the "Kamenoi Ostrow," by Rubenstein.

The vocal numbers consisted of several solos: "Florian's Song," by Godard; "My Love Rode By," by Calbreath, sung by Eleanor Gurney; "Because of You," by Strickland, and "I've Been Roaming," by Horn, sung by Amy Penner; "Into the Night," by Edwards, sung by Roy Lurvey; "Ho! Mr. Piper," by Curran, sung by Beverly Lurvey; "The Sweet o' the Year," by Salter, and "Soft Strains of Music Drifting," by Brahms, sung by Jessie May Jones; and "Indian Love Call," by Rudolf Friml, a duet sung by Roy and Beverly Lurvey.

Miss Griggs as well as those performing should be given credit for a fine recital.

COUNCIL-cont. from p. 1, col. 4
Barbara Pretty, and William O'Brien; Assembly Committee: Richard Marshall, Donald Lord, and Gertrude Penner; Finance Committee: Robert Hill, Jerold Davis, and Marvin Kendall.

The Council is now concluding its second active year and the newly-elected members are looking forward to an even more successful 1947 realm.

GOULD SITE FOR SUMMER CONFERENCE

The Training Laboratory in Group Development conference will be held at Gould Academy from June 16 to July 4, staff members and delegates representing business, professional, educational, labor government, and social organizations attending. The purpose of this conference is to discuss techniques and skills of group thinking, action, and leadership. The group will study conference procedure, leadership training, and development of community activities.

This conference is sponsored by the National Education Association of the Massachusetts Institute of Technology. All of Gould facilities will be available to the delegates. Hanscom Hall and Holden Hall will be used for the actual meetings; both dormitories and some teachers' homes will be used for living quarters.

This laboratory will be the first of a sequence of summer training laboratories, to be held in different places throughout the United States. Group leadership will be in focus, bringing together leaders who may analyze various methods. The widely varied factions present will be advantageous in bringing together in working harmony the workers in the more isolated fields.

Outstanding Among Us

FRANCES VINTON

Th valedictorian of the class of 1947 is Frances Vinton. During her four years at Gould she has won the scholarship medal, an award given to highest ranking girl or boy in each class, both her freshman and sophomore years.

She was born in Elizabeth, New Jersey, on June 11, 1928. A short time afterwards, her family moved to Fryeburg, Maine, where she attended the Fryeburg school for her first six years of elementary school. They then moved to Kezar Lake, in Lovell, where they have lived since that time, and where she finished her elementary education.

Frannie is one of the few seniors who have been here at Gould for all four years. During these years, she has been an active participant in many extra-curricular activities. She is a member of this year's Student Council, a member of the Outing Club for four years, a member of the William Rogers Chapman Club the past three years, being secretary last year and vice-president this year. She has also been in the choir this year, girls' glee club, and in Christmas cantatas and "The Pirates of Penzance." She was head of the Geology Division in the Science Club this year and, as such, sponsored several trips to nearby mines. For the last two years she has been in the "Blue and Gold" staff and on the editorial board of the "Herald" this year. This year she was elected a senior member of the National Honor Society.

Next year Frannie plans to go to either Radcliffe or Wheaton and after that to enter the field of either child psychology or historical research.

UNDER THE CUPOLA

One of our junior girls has recently made a start toward acquiring fame and—a lot of fun. Trudy Penner has been chosen to attend the Dirigo Girls' State Camp at North Pond in Smithfield from June 13 to 18. Have a good time, and learn a lot, Trudy.

Raucous sounds such as various toots, screams, and laughs echoing through town at disgraceful hours on Saturday nights indicate that some of our local talent is getting over its spring fever and feels that vacation revelry is due. Could it be that the events of recent Saturday nights are an accurate forecast of this summer's coming events? Oh no—not that!!

Larry Clement was expecting a hot time the other night when, around eleven o'clock, some miscreants rushed into his room to inform him the dorm had been struck by lightning. Nothing doing, though; he'll just have to unpack again!

It looks like the Brazilian planters won't have to worry about exports any longer, now that the senior tables have been set up. Even the teetotalers are doing their share, which just goes to show that we are grateful for our blessings!

Well, this is it—this is all. Some of us are glad and others are sorry. It's been a grand year. No other could ever be just like it, but I'll bet there will be many that are just as much fun. Even though it has rained six days out of seven, we've enjoyed it. We couldn't have lived without all the bowling parties up on third or all the music, beautifully blended, down on second. Life wouldn't have been the same if the dorm had been minus those furniture movers and table unsetters, and how much more unlovely our mornings would have been without that "voice" wafting up from the kitchen in the wee hours of the morning—well, anyway, six o'clock! And mornings remind us of Monday, blue, that is, and these next two will be even bluer, because they are the last. But all good things come to an end, and bad things too. For instance, all those restrictions we suffered so heroically. It was all part and parcel of a wonderful year, and next year there will be more good times and other friends to help with them. We'll miss the ones that are going, but we want our best wishes and all good luck to go with them.

Alumni Notes

Louisa Bacon '43 is valedictorian of her class at the University of Maine.

Irene Goodrich '43 has recently accepted a position as a librarian and voice instructor at the Houston Conservatory of Music in Houston, Texas.

Dexter Stowell '46 is stationed with the Army in Korea.

"Buddy" Kneeland '46 who is in the Marine Corps has recently spent a short furlough with his parents.

Gordon Bowman '46 will graduate from Officers' Training School at Fort Benning, Ga., in June. He will be commissioned as a 2nd Lieutenant and will be stationed in New Jersey. He is expected to be on the Gould campus over commencement.

The engagement of "Buddy" Clough '41 to Shirley Peacock of Atlantic City, N. J., has been announced. He is now attending the U. of M. Annex at Brunswick.

Alice Bennett '43 and Ida Clough '43 graduated from Russell Sage College, Troy, N. Y., on June 1. Alice has accepted a position as physical education instructor at Masters' School, Dobbs Ferry, N. Y., and Ida at St. Mary's Hall, Burlington, Vt. Ida was chosen grand marshal of her class.

GOULD LOSES CLOSE GAME TO NORWAY

Norway edged out the Gould baseballers by a close 9-8 score despite a ninth inning rally by the Huskies which fell one shy of tying the score.

Young started and was relieved by Rolfe in the fourth; however, this was not Rolfe's day, and Parsons came in to relieve him setting Norway down with two hits for the rest of the game.

The Huskies scored three runs in a desperate effort to tie the score in the ninth, on a triple by Allen, a pass to Cole, a single by Wood, and another by Croteau; however the rally ended one run shy of its mark when Brown grounded out to second.

Cram and Wood were the big hitters for Gould, Cram hitting a home run and Wood hitting two doubles and a pair of singles.

GOULD BOWS TO UNDEFEATED CARDINALS

May 19—The still undefeated Paris Cardinals beat the Huskies for the second time by a score of 7-2. The Gould team played well, except for the disastrous third inning, when Paris collected six runs, including Heald's homer, and also got three other extra base blows. Croteau, with two singles, and Parsons, with a double, led the Husky hit parade. Rolfe pitched well in holding the Cardinals to one run in 6½ innings.

Gould Takes Norway

May 24 — The Huskies won their second victory of the season at Norway, 11-7. Croteau, Allen, Cram, and Wood led the Gould hit parade, Wood slamming a home run, Croteau two doubles and a triple, Cram a triple, and Allen a double. Rolfe pitched well for five innings, but gave way to Young in the sixth, when Norway tallied five count-ers. Young held the Norway team for the remaining innings, while the Huskies lashed out 15 hits and 11 runs off three Norway hurlers.

FRYEBURG SHUTS OUT GOULD 6-0

Behind the three hit pitching of Cram, Fryeburg shut out the hapless Gouldites 6-0. Cram's control and effectiveness were evident throughout the entire game. He walked but one man and he struck out eleven.

Parsons was on the mound for Gould and for five innings he was nearly as effective as Cram, allowing only one run. However he weakened and two runs in the sixth and three in the eighth came across the plate before he was relieved by Young.

Gould's only offensive strength was shown by Cram who collected two of three hits. The other hit was a ground ball by Wavel which bounced over the pitcher's head.

Burnell of Fryeburg got three hits including a triple but the hero was the pitcher Cram whose speed and control handcuffed his opponents completely.

HUSKIES LOSE TO FRYEBURG 5-1

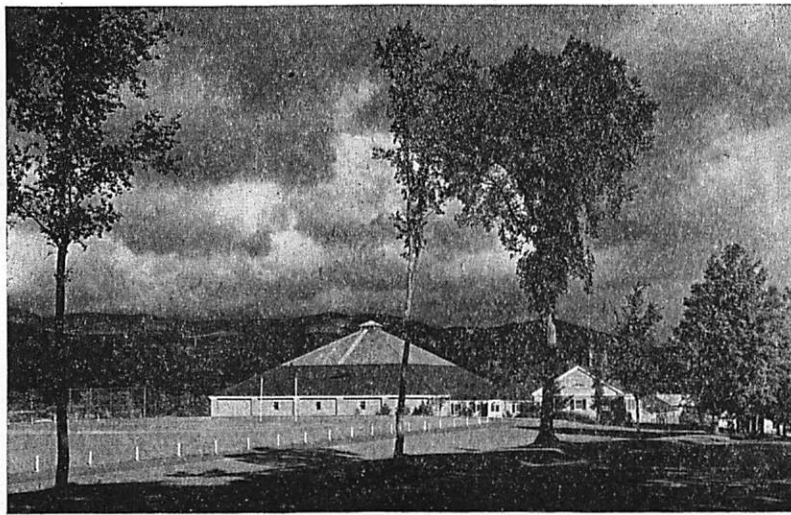

The Gould Academy nine went down to defeat at the hands of a strong Fryeburg nine, backed by the four hit pitching of Cram.

The Huskies could not seem to hit the offerings of fireballer Cram who struck out ten men, while allowing only one base on balls.

The only Gould players to collect any hits off Cram's slants were Allen, Cole, Cram, and Parsons with one apiece.

Young started for Gould and was relieved by Wood in the seventh with the score 4-1.

The game was close all the way, thus making it very interesting from the standpoint of the spectators.

"Academy Herald" Photo

GOULD SMASHES MEXICO 20-15

Collecting 20 runs on 14 hits and several costly errors the baseball team came thru to a victory over the Pintos for the second time. Three pitchers for Gould and two for Mexico gave up a total of 29 hits. Young started and lasted five innings, striking out six men, but was touched for nine hits and seven runs. Then Rolfe relieved but lasted only two innings, and Parsons came in to finish up the game.

Dave Bennett for Gould and Laphan for Mexico rapped out home runs while nearly every member of each team collected at least one hit. Allen, playing heads up ball, got three good hits, five putouts and five assists, including a double play in the eighth.

Although the game was not well played, with a total of twenty errors, the team really showed some batting power for the first time this year.

HUSKIES LOSE CLOSE ONE TO ST. JOHNSBURY

The Blue and Gold baseball nine journeyed to Vermont for a game with St. Johnsbury Academy and lost a heartbreaking ball game by an 8-5 score.

The Huskies were ahead 5-2 going into the last half of the seventh; however, in this inning St. Johnsbury scored six runs on four hits and three costly errors.

The Huskies were then handcuffed by the pitching of Moffett. Gould collected ten hits, but could not bunch them together to start any large scoring rally.

The well balanced Gould squad compiled a score of 66 pts. to win the Oxford County Track Meet over four other schools entered. Fryeburg (46½), Rumford (27½), South Paris (2) and Mexico (1) trailed in that order. The track meet was held at Bethel.

High scorer of the meet was Jerry Davis (G) who gathered 18 points with wins in high jump, shot put and broad jump and a second in discus. Trailing behind was Rocky Giles (G) with 14½ points with wins in 440 and 880 yard runs, second in shot put and a share in the high jump, and then Earle of Fryeburg with 14 points with a double win in the dashes and a share in pole vault. Ireland (G) came over with a double win in hurdle races and a share in the high jump. Winners of remaining events were R. Eastman (F) (mile run), Dave (F) (javelin), Curley (R) (discus) and a tie between Earle (F) and Diconzo (R) in pole vault.

Gould Academy had shown its great ability as a track team through all the meets thus far. They have only one loss, and that to Farmington.

Summary:

100 yd. dash—won by Earle (F); 2 Brown (G); 3 Brown (R); 4 Curley (R). Time 10.5 s.

220 yd. dash—won by Earle (F); 2 Brown (G); 3 Brown (R); 4 Arsenault (R). Time 24.4 s.

440 yd. dash—won by Giles (G); 2 Arsenault (R); 3 Robson (F); 4 Roy (M). Time 55.9 s.

880 yd. run—won by Giles (G); 2 R. Eastman (F); 3 C. Eastman (F); 4 Swan (G). Time 2 m. 11.2 s.

Mile run—won by R. Eastman (F); 2 C. Eastman (F); 3 Melville (G); 4 Foster (G). Time 5 m. 3.4 s.

Discus—won by Curley (R); 2 Davis (G); 3 Harriman (F); 4 Agostonelli (R). Distance 118 ft. 5½ in.

Javelin—won by Dave (F); 2 Adams (G); 3 Hopkins (F); 4 Marchisia (R). Distance 142 ft. 8 in.

Shot put—won by Davis (G); 2 Giles (G); 3 Quinn (SP); 4 Marchisia (R). Distance 38 ft. 11 in.

Pole vault—tie between Earle (F) and Diconzo (R); 3 tie among Blake (G), Melville (G) and Nadeau (R). Height 9 ft. 6 in.
